Who We Are

Agricultural Development Service Division at the Guam Department of Agriculture is here to promote the local farming industry while protecting our natural resources.

What We Do

The following programs we offer are: Bona Fide Farmer's Certification, Agriculture Water Rate Program, Crop Compensation Program, and the Plant Nursery.

Additional assistance includes: Import permits and Building/Clearing permits.

Bona Fide Farmer's Certification (P.L. 23-29)

- Encourages the community to plant one or more crops within a 1/2 acre lot.
- Increases fruit tree production.
- Pushes for island-wide collaboration in farm data collection.
- Qualifies farmers to be part of our Agriculture Water Rate Program and Crop Compensation Program.

Agriculture Water Rate Program (P.L. 9-42)

- Offers a lower agricultural water rate to all certified Bona Fide Farmers.

- Educates the farming community about agricultural water use and consumption.

Crop Compensation Program (P.L. 22-64)

- Provides crop loss compensation

Plant Nursery (P.L. 26-140)

- Provides assorted fruit and vegetable seedlings to the public on Monday thru Friday from the hours of 8:00 a.m. - 12:00 p.m. and 1:00 p.m. - 4:30 p.m.
- Tissue Culture Program- propagation of *Dendrobium* and *Phalaenopsis* orchids
